## IN SEARCH

Insearch is a leading photography Production house and Event Management firm in Pakistan. We provide event management and photography services to organizations in development, private and public sectors. All of our services are available on one time assignment or long term contracts basis.

## Our Mission

Plan and manage the projects with professionalism. Minimize stress for clients by keeping budget & timelines and infuse the projects with creative and innovative ideas.

## Our Values

At Insearch we always emphasize to be details oriented, right on time, consistent, organized and connected and well focused. We are motivated and patient to withstand pressures.

## About Photography

Passion and profession come together at INSEARCH as long as photography is concerned. It is a great opportunity for us to exercise our passion as professionals. We consider photography as an art that captures the imagination to the reality and there are several ways of capturing various aspects of people, culture and nature.

A common person can see only a photograph as a piece of picture. A photograph can speak more on its creativity and beauty within.

We take up photographic assignments, provide training in photography and sell stock photos under our Insearch Stock brand name.

Is there a subject or location not covered in our stock collection? Is there something specific to your business you would like us to capture? We can shoot, edit and archive for you to just select and use these photos where you need.

## Stock Photography
